---	--

Notes. Rates reflect a 50% non-profit discount combined with a 40% Founding Client Discount, extended as part of a limited program for the first ten clients (90% off the standard rate). These promotional rates apply to this engagement only; future work will be quoted at standard or revised non-profit rates. Scope covers original design, development, third-party integration (Stripe, Firebase, Sanity, OAuth providers), QA, and deployment to production at givebackjojo.org. **Free and unlimited revisions are included through project completion at no additional cost.** Thank you for the opportunity to support the mission.
